Spring 2023 Newsletter - National Office

Embarking On A New Journey!

Written By: Claire Richardson, Marketing & Communications Specialist

For many years now, Paws for Purple Hearts Headquarters has resided in Sonoma County, CA alongside its sister organization, Bergin College of Canine Studies. In the last year, we have been searching far and wide for a bigger, more expansive campus to call our National Office home and we are thrilled to introduce you all to our property located in Canyonville, OR!

As we have continued to grow into new regions throughout the country, our board of directors knew it was time to grow our National Office as well. What once was a private academy with an abundance of real estate is now being furnished to house the future of Paws for Purple Hearts. Its sprawling acreage and detailed buildings will allow our organization to flourish and continue this massive expansion we have already seen throughout the past decade.

After the official purchase in 2022, it was decided that the move would take place in the later half of 2023. This year, we celebrate 12 years of Paws for Purple Hearts and are proud to make such a massive leap as an organization with this shift. Even more exciting is the annual Paws for Purple

Hearts conference that allows staff to get together and share ideas and reports on their own sites will be held on this brand new campus. Before we even open our doors to the public, we will be hosting this magnificent event for our employees to witness the growth for themselves and see exactly where all our hard work has gotten us.

We cannot wait to share more with you all about this move and hope you are just as thrilled as we all are to expand our reach even further.
